

BASIC GRID FOR FACULTY FEEDBACK FOR STUDENT REVIEW OF LITERATURE

WILEY

Section / Topic	Comments
<p>Paper Introduction</p>	<p>Introduction satisfactory/a few minor tweaks. Introduction still needs work. Add content to explain importance of topic. Add current citations to support facts/statistics. Note purpose of paper for readers.</p> <p>Other comments:</p> <p>_____</p> <p>_____</p>
<p>BODY OF PAPER: DISCUSSION OF LITERATURE REVIEW</p>	
<p>Search</p>	<p>Search methods appropriately described. Add more content about how you did the search.</p>
<p>Research Review</p>	<p>Description of individual study review and/or evidence tables included (if appropriate to assignment). Adequate synthesis of the literature is evident. Work to group information about studies by similarities and differences, and by strengths and weaknesses instead of discussing each individual study. Individual studies are discussed only if they offer evidence of a unique contribution (e.g., especially important findings, historical context). Review is based on primary sources. Add information about gaps in the literature.</p> <p>Comments:</p> <p>_____</p> <p>_____</p>
<p>Limitations of the Review</p>	<p>Adequately discussed. Add this _____</p>
<p>Recommendations</p>	<p>Unique conclusions based on this review. Add this _____ Implications for practice and/or research. Add this _____</p>

CONCLUSION OF PAPER / OTHER

Conclusion	<p>Paper has a distinct conclusion that briefly summarizes findings and reiterates the importance of the topic/research.</p> <p>Add a brief conclusion reiterating the importance of this topic – your paper ends too abruptly.</p> <p>Conclusion introduces new information that should be deleted or moved to the main section of paper.</p>
